Greetings from Omada!

Omada Health provides multi-condition care between doctor visits with compassionate, coach-led programs for **diabetes and hypertension prevention and management**.

All eligible members who enroll with Omada receive connected devices, a personalized care plan led by a dedicated coach, plus access to peer communities.

New for 2025, Omada has released *Personalized Learning Paths* where members can self-select lessons and engaging, interactive content based on their health goals and barriers.
